6-INCH STEEL BOLLARD WITH REFLECTORS

152 x 1219 mm (6" x 48") BOLLARD
BOC648

The **6-inch steel bollard with reflectors** is a tough and sturdy visual marker to block traffic from forbidden areas. Made of powder-coated galvanized steel, the BOC648 has four (4) recessed reflective sheeting stripes that provide high visibility day and night.

Easy to install, it is inserted in the sleeve anchor (see the corresponding product page for details) and is as easily removed if needed, using the extractor tool. This 6" bollard is ideal for both temporary and permanent installation where vehicles are prohibited.

Available in black with white or yellow sheeting.

TOUGH AND STURDY

BLOCKS VEHICLE ACCESS
